GOD'S MESSAGE TO AMERICA PART 1 - GRAVE DANGERS

Racial division and unrest, polarization of the political parties, unconstitutional seizures of powers by one branch of government, immorality, and mounting national debt are all things that we see escalating out of control today. Two hundred and twenty four years ago, in 1796, George Washington cautioned the nation, in his Farewell Speech to Congress, that the same five things could well happen, and advised them to frequently return to his unbiased counsel to avoid these dangers.

This short message, which the Holy Spirit placed on my heart, attempts to reintroduce this wise counsel back into the national debate, in the sincere hope that it will help our nation avoid calamity, and – together with the message of part 2 – help lead our nation to a revival and a much needed Great Awakening.

GOD'S MESSAGE TO AMERICA PART 2 – WAKE UP CALL

This second part of God's Message to America follows on from the wise, unbiased counsel that comes to us from over two centuries ago by our first president, George Washington.

In this second part, God's counsel comes to us from His Word, the Bible, that we His people who are called by His name urgently need to: 1) fervently pray, 2) always speak and act with love, 3) live by the Holy Spirit (with the Fruit of the Spirit, the Gifts of the Spirit, and God's amazing grace evident), and 4) go forth with righteous action and to vote.

With this call to action comes the clear message that it is not too late to bring our nation back from the brink of a tragic demise, but the time is short, very short, to ignite a much needed revival and Great Awakening.
